

HOW TO GET THERE

374 BOREE VALLEY ROAD LAGUNA 2325

Directions to the Garden of Eden Retreat will be provided after your booking has been made. Mobile internet access drops out for large portions of the drive to the Garden of Eden Retreat. It is important that you have offline access to these directions before beginning your drive to the property.

Please be aware that travel to the property requires maneuvering on unsealed (dirt) road. Driving with caution is recommended when moving on unsealed roads. The unsealed roads are not suitable for lowered vehicles. The roads are two-wheel appropriate, in all weather conditions.

DIRECTIONS FROM SYDNEY

Turn onto the M1 Pacific Motorway (toward Newcastle) from the Pacific Highway, at Wahroonga.

You will travel on the M1 for approximately 25 minutes. After crossing the Hawkesbury River, take the Peats Ridge/Calga exit (following Tourist Drive 33). This is the first exit after Mount White (only 3 kilometres past the heavy vehicle weigh station on the M1). Just after passing Peats Ridge, take the left turn toward Wollombi on Tourist Drive 33. Follow this road for approximately 45 minutes.

Before reaching the Laguna, you will see a left hand turn onto Yango Creek Road. Take this turn. After a short a drive on asphalt (bitumen) road, you will then continue to Boree Valley on unsealed (dirt) road. 1.5km after your turn on Yango Creek Road, turn left onto Boree Trk (to Knights Rd). By this time you will be on dirt track. After a few more kilometres, take a left turn onto Boree Trk. You will know you are on the right road when you spot a house, on the left, with the number 387. Shortly after that, you will see a large rock, on the right, with 369 painted on it.

Continue on Boree Trk. You will reach two forks in the road as you head into Boree Valley. At each fork, take the left turn, each time following the signs to 'Boree'. If you continue to follow these signs, you will eventually turn onto Boree Valley Rd. Eventually the dirt will take a sharp right, marked by a sign for 'Boree'. You will begin a steep slope downhill, which we advise you take slowly. Once you reach the bottom, continue on the road. You will pass a left turn onto Upward Rd. The Garden Valley Retreat is only a few minutes after that, on the right.

DIRECTIONS FROM NEWCASTLE

Take the New England Highway west and follow signs to Cessnock. At Cessnock, continue straight and follow the signs to Laguna. Just after passing through Laguna, you will see a right hand turn onto Yango Creek Road. Take this turn. After a short a drive on asphalt (bitumen) road, you will then continue to Boree Valley on unsealed (dirt) road. 1.5km after your turn on Yango Creek Road, turn left onto Boree Trk (to Knights Rd). By this time you will be on dirt track. After a few more kilometres, take a left turn onto Boree Trk. You will know you are on the right road when you spot a house, on the left, with the number 387. Shortly after, you will see a large rock, on the right, with 369 painted on it.

Continue on Boree Trk. You will reach two forks in the road as you head into Boree Valley. At each fork, take the left turn, each time following the signs to 'Boree'. If you continue to follow these signs, you will eventually turn onto Boree Valley Rd. Eventually the dirt will take a sharp right, marked by a sign for 'Boree'. You will begin a steep slope downhill, which we advise you take slowly. Once you reach the bottom, continue on the road. You will pass a left turn onto Upward Rd. The Garden Valley Retreat is only a few minutes after that, on the right.

DIRECTIONS TO GARDEN OF EDEN

Only another 1.4 kms from here, you are about to go down a steep slope. Now when you get to the bottom, follow the main road around to the right. Cross the small creek via the crossing. After another 200kms, you will see Number 374 on the right.

16.5 kms from Yengo Creek Road, turn off 1 ½ kms. Then, turn onto Knights Arm Road.

Another few kms, then, left onto Boree Trk.

Another couple of kms, you will go past the house on the left, Number 387. And, when you see the large rock with Number 369, you'll know you are on the right road. Take the left in the forks in the road and follow the Boree signs.
