

GARDEN OF EDEN

DINING PACKAGES

Continental breakfast is included in your booking. Vegetarian, gluten free and halal options are available. Please advise us any dietary requirements when making booking, in the 'comments' section.

For all other meals, we recommend our dining packages or organising your own groceries. The Garden of Eden Retreat is a one-hour drive from out-of-house dining options, so we recommend considering your dining requirements when making a booking.

If you require a dining package, please advise us in the comments section when you are making your booking or by emailing us at connect@gardenofedenaustralia.com. You will be contacted by us shortly after to finalise your package. After your dining package choices have been confirmed, payment will be charged by credit card. We must receive all dining package orders at least 7 days before your arrival.
